DREMMER.—The boys are laughing at a good joke that was practised upon one of the many jolly commercial tourists who make their headquarters in our city. As they say of rare wines, the story is old but good. It happened in this wise:

Rev. Hite at Zane Street Church.—The press upon our columns yesterday morning compelled us to hold over a report of the interesting services held at the Zane Street M. E. Church on Sunday. This church continues to be crowded morning and evening. On Sunday morning the pastor, Rev. Geo. E. Hite, held a large congregation in close attention while he preached from the 12th chapter and 25th verse of the second book of Samuel. It was a powerful and effective sermon, causing many in the audience to weep.

At 2 p. M. there was a large attendance at the Sabbath School, and quite an improvement was noted in this department of the church, under the management of Mr. J. A. Jefferson. A beautiful blackboard lesson was presented, drawn by one of the young men of the school who will yet make his mark. The lesson was explained by Rev. Willets, after which Rev. Hite preached a children's sermon from the 18th Chapter of Luke, 15th and 16th verses, to the school and many parents who were present.

At 7 r. h. the church was crowded, while the pastor preached from the 14th verse, 1st chapter of Hebrews, with his usual power and eloquence. The Zane Street Church is looking up since Rev. Hite assumed charge, and its former prosperity is returning.—The choir is also improving, and if we mistake not will soon take a leading position among the church choirs of the city. DEATH OF JACOB BESTE.—We regret to chronicle the death of Mr. Jacob Bentz, Clerk of the Second Ward Market, which occurred at his residence on Maju street, adjoining the Grant House, at ten minutes past nine o'clock yesterday morning. Jake was a genial, big-hearted friend, a quiet, mostentatious but useful citizen, and an efficient and conscientious officer, who will be sadly missed from the community, and whose place will be hard to fill. He was about thirty-four years of age, and his death resulted from dropsy, which disease had confined him to his residence for some five or six weeks.
